Volunteers of the Month: Yuriko & Dennis Nelson

Yuriko and Dennis Nelson started volunteering back in January of 2016 and since then spend around 10 hours per month mostly dog walking. We are so grateful to have this caring couple come out on a regular basis and give the shelter dogs some much needed attention, love and exercise! Yuriko and Dennis always have a smile on their face and their passion for animals really shines. We can't thank you enough!

Get to Know Yuriko & Dennis

What do you enjoy most about volunteering at the shelter? We always love the feeling of our own worthiness after we visited the SFAHS and taken care of the dogs. We always talk to each other in the car on the way home about what we experienced that day with each dog. It seems like every dog needs our attention, love and care.

Do you have any pets at home? We used to have rabbits one at a time since 1981 until the last one who died in 2014. We would love to adopt a dog from the SFAHS someday when we give up traveling

What is your favorite animal? Dogs, bunnies, many zoo animals and some cats.

Success Story of the Month

Charlie

This adorable 1 year old mini Australian Shepherd was surrendered to the shelter back in January because his owners did not have time for him due to his energy. Fortunately, he caught the attention of the Meinders family and was adopted within a week! His new family gave us a lovely update. "He is so smart. At our home, he can go in and out at his leisure. We have a dog door that goes outside to a large fenced in yard. He loves that! He loves to jump in the snow to run and play

with our little Chihuahua. He also loves to jump up into our laps when he comes back in to snuggle for a little while too. I feel so blessed that I was there on the right day and that we were able to make Charlie a part of our family. He is just the sweetest. We are going to get him neutered and then take him to obedience classes. Thanks for all you do. We just love Charlie!" Big thanks to the Meinders family for making Charlie part of their family.

Shelter Stars

Meet Dory! This pretty 9 month old Domestic Shorthair came to the shelter as a stray in June 2016 and was never claimed. Dory is independent and loves to run around! She has lived with siblings but we do not know how well she would do living with other cats or dogs. Please understand that it may take time for them to get comfortable. Dory is not yet spayed but is frontlined for fleas and ticks, microchipped, tested negative for FELV/FIV, and started on her vaccinations. Will you give Dory her forever home?

Sky is a beautiful 3 year old Terrier Mix that came to the shelter as a stray in February of 2016 and was never claimed. She just came back from foster care and is very friendly and sweet! Sky loves to swim and play! She will need an experienced owner who has time to exercise her on a regular basis and further her training. Sky should do well with children ages 9 and up due to knocking them over and she is more comfortable with older children. She will chase cats and is very possessive around other dogs. Sky is spayed, microchipped, frontlined, and started on her vaccinations. Will you be her forever home?
