Volunteer of the Month: Cheryl Johnson

Cheryl Johnson went through volunteer orientation back in May and has since spent over 70 hours being a huge help to our staff and our animals! Cheryl walks dogs, cleans, socializes cats and assists with fundraisers. Not only is she a very thoughtful person and a dedicated volunteer, but we are excited and glad to now have her on board as a staff member. Thank you Cheryl for all you do for the animals at the SFAHS!

4 THE LOVE OF PETS

Consider placing your pet in a secluded, secure room with a door. Soft music and low lighting help calm pets. Be sure to give your dog his favorite toys or blanket. A new chew toy helps keep him happy and occupied during the Trick-Or-Treating.

HALLOWEEN SAFETY TIPS FOR PETS

Costumed kids might confuse & frighten pets. Keep them away from the door. You may even want to consider using a pet gate at the front door to prevent an unplanned escape.

DO NOT
PUT GLOW JEWELRY
ON YOUR PET,

Shelter Stars

Hi there, I'm Cindy! I was brought to the shelter as a stray in August of 2015 and no one came to claim me. I seem to be pretty independent, curious and I prefer attention on my own terms. I like to explore my surroundings and may even find a place to hide. It is not known how I would do around other pets. I am not yet spayed but have been frontlined, micro-chipped, and started on my vaccinations. I am a sweet girl looking for a cozy home to take my cat naps in!

I'm Nola! I was surrendered to the shelter back in May of 2015 because my owner was having health issues and couldn't take care of me anymore. I am not fond of other animals so I prefer to be the queen of the castle. I know commands such as sit, high five, shake and lay down. I lived with 3 kids, ages 8 and up and did great with them! Also I do well on the leash unless I see another animal. I'm house trained, prefer fenced in yards to run and play in and don't mind car rides.
