Fosters Needed!

Do you love puppies and kittens? Of course you do! Who doesn't? Of course the expenses can really start adding up with a new bundle of joy around. What if we told you that you could have puppies or kittens at your home without any costs? Well you are in luck! The SFAHS is in desperate need of foster parents for our newborns this spring. With construction still ongoing we are very limited on extra kennel space and we are starting to get lots of litters in that need

some tender love and care. Fostering won't cost you a dime. The shelter will cover all vet, medication and food costs for the animals while you foster. All you have to do is love up on the little cuties and give them the attention and care they need. Best part is, if you get too attached to see them go, fosters get first dibs on their foster babies. If you have ever thought about fostering before, now is the time! Please call us at 605-338-4441 and ask for Monique to find out more about fostering.

**Volunteer of the Month:
Zach Delozier**

Zach is an enthusiastic and lively young man who started volunteering for the Sioux Falls Area Humane Society in February 2014. He mainly likes to walk dogs and get to know their personalities so that he can help match them to potential adopters. Since February Zach has spent over 40 hours volunteering. Thank you Zach for all of your time and help with our animals!

Get to Know Zach

What do you enjoy most about volunteering at the shelter? Being with the animals because I care for them. I also like to interact with the different people.

What is your favorite animal? Dogs are my favorite. I like to play with them and add some fun to their day.

Do you have any pets at home? Yes, two dogs, two geckos and some fish.

Success Story of the Month: Huxley

This is Huxley, He is an 8 month old Terrier mix. He was born at the shelter as his mother was surrendered to our care while she was still pregnant. After he was born, he was put into foster care for 2 months until he was old enough to go up for adoption. Huxley is a very sweet and playful puppy that was always full of energy. He loved playing with his littermates and was always eager to meet new people. Huxley did struggle with some health issues during his stay at the

shelter. He was prescribed medications to help with his illness and gradually showed improvement. Huxley was always a joy no matter how sick he felt. He brought a smile to many of the staff here that worked with him. Huxley was finally adopted on April 13th by a family from Iowa. He now gets all the care and attention a pup could ask for. He also has plenty of entertainment as he loves playing with their kids as well as the other family pets at his new home.

This is Fred. He is an 11 month old domestic shorthair cat. He came to shelter as a stray and was never claimed. Fred was adopted once but was returned due to the other cat in the home not getting along with him. Fred is a very curious kitty who loves to play and explore. He is already neutered, micro-chipped, frontlined and started on vaccinations. Come meet Fred today! He could just be your new best friend!

This is Nemo! He is a 2 year old terrier mix that came to the shelter as a stray and was never claimed. He is a very sweet boy that does well with strangers and kids of all ages. He will need a patient owner to work on training and manners with him. He is not yet neutered but he is housetrained, micro-chipped, frontlined and started on his vaccinations. Come visit Nemo today! He could be the perfect fit for your home!
