Volunteer of the Month: Jake Wallentine

Jake Wallentine has been a volunteer at the SFAHS since November of 2013. He has spent most of his volunteer time helping us with special events such as Bark in the Park, Paws to Celebrate, Pose Your Pet with Santa and Mutts in the Maze. When he's not helping at events, he enjoys spending time with our dogs and socializing them to help them get adopted. We are very glad to have volunteers such as Jake. Thank you Jake for your dedication to helping our animals!

Get to Know Jake!

What do you enjoy most about volunteering at the shelter? *When I moved to Mitchell, I had to leave my Great Pyrenees behind with my parents in Wichita, Kansas. So, I love being able to hang out and interact with the dogs at the shelter. The HS does a great job taking care of them and any extra socialization the volunteers can give to the animals before they get adopted is fantastic.*

What is your favorite animal? *Dogs, especially big dogs that think they are lap dogs*

Do you have any pets at home? *No*

Success Story of the Month:

Fallon

Meet Fallon! This handsome two year old Terrier mix was given up to the shelter in early December due to his owner not having enough time to spend with him. Because of this, Fallon spent most of his time kenneled when he was home alone. Luckily for Fallon, he only stayed at the shelter for six days before he was adopted by a kind and loving gentleman named Collin. A few days after his adoption we

received a wonderful update on this affectionate boy! Fallon is doing great in his new home. He is such a loving dog to Collin and his family. Collin has even gotten Fallon's papers to be certified as an Emotional Support Service dog for his new owner! All in all, he is definitely loved in his new home and is a very happy pup!

Shelter Stars

Meet Cici! Back in August of 2014, Cici was brought in pregnant with very little information as to why her owners surrendered her. She's very sweet and will come to you for affection. It's unknown if she has lived with other pets. Cici is not yet spayed but she is micro-chipped, frontlined and started on her vaccinations. Her kittens have been adopted and Cici is ready to find her forever family. Come meet her today and see if she could be the 'purr-fect' fit for your home!

This is Champ! He is a 4 year old Labrador mix that came to the shelter back in October when he was picked up as a stray. Champ is a very energetic boy that loves to play. Due to his energy level a home with older children is recommended. He loves tennis balls and running around the yard. Champ will need a patient owner to work on training with him and make sure he gets plenty of exercise. He is not yet neutered but he is micro-chipped, frontlined and started on his vaccinations. Come visit Champ today and see if he could be your new best friend!
