National Volunteer Appreciation Week

UPCOMING EVENTS:

National Volunteer Appreciation Week	April 10- 16
The Market Wine Tasting	April 14 5-7pm

April 10th - 16th is National Volunteer Appreciation Week and as a way to say "thank you", we would love it if all of our available volunteers could join us on Friday, April 15th from 2-6:30pm for a potluck and a day filled with activities and projects! The potluck will be held in our classroom located on the east side of our building featuring an assortment of treats, baked goods and refreshments made by volunteers and employees. National Volunteer Appreciation Week is about celebrating service and recognizing volunteers in our community who help better non-profit organizations. The key to our success rests in all of the dedicated supporters that help the SFAHS! We hope to see you there!

Volunteer of the Month: Caleb Dugel

The SFAHS is proud to have Caleb Dugel as our first Junior Volunteer for Volunteer of the Month! Caleb started volunteering in December of 2015 and has since been a tremendous help organizing our food donations, assisting with yard work and laundry. Caleb volunteers up to 15 hours per month. We are very lucky and glad to have Caleb helping the shelter. Thank you for the significant example you set and for all of your dedication.

Get to Know Caleb

1.) What do you enjoy most about volunteering at the SFAHS?

My favorite part about volunteering is that I get to meet new people and help the animals until they get a new home.

2.) Do you have pets at home?

I don't have pets at home. That's why I volunteer here!

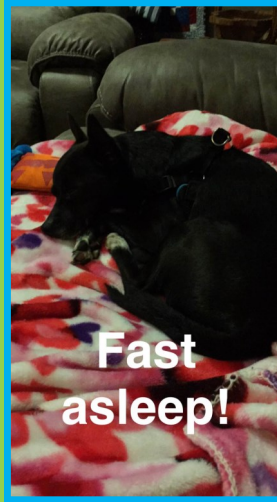

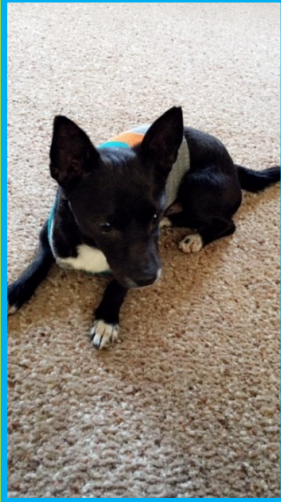

3.) What is your favorite animal?

My favorite animals are wolves and bears.

Success Story of the Month

George

George is a 2 year old Terrier mix who was brought to the Sioux Falls Area Humane Society in early February along with another dog named Mildred who was his best buddy. They were transfers from another shelter and were both thankfully adopted in early March by different families. We recently received an

update from new owner Angie on George and it looks like his new family is very happy to have rescued him. Angie says, "George went potty outside then came inside and got a tour of his new home. After that he jumped up on this blanket and fell asleep! We love him so much! He has not had any accidents. He is such a lover boy and loves to snuggle." Thank you Angie and Chad for giving George a great home!

Shelter Stars

Meet Lita! She is a 3 year old beautiful cat that came in with her kittens because their owner couldn't take care of them. Lita is independent but very loving too. She would likely do well with supervised children of all ages. If you have other pets at home she may need some time to adjust. She has been spayed, microchipped, frontlined, and started on her vaccinations. Lita has been at the shelter since July of 2015 and would love to be part of a new and forever family. Are you the one for her?

Meet Biloxi! He came to the shelter as a stray and not much is known about his history. Biloxi loves to play and has lots of energy so he will need an owner that has enough time to exercise him and teach him some tricks. The staff at the shelter does not know if he gets along with other dogs so dog introductions would be best. He likes to play with sturdy toys such as kong or rope and he loves meeting new people! He should do great with supervised children of all ages. Biloxi is neutered, microchipped, frontlined and recently started on his vaccinations. Come out and get to know this playful and handsome boy!

The Market Wine Tasting

Join us for a wonderful evening to raise funds for homeless pets in need at The Market on Thursday, April 14th from 5-7pm. 100% wine tasting benefits the Sioux Falls Area Humane Society and 10% dinner sales will be donated to the shelter as well. The Market is located on 196 E 6th St Suite 101. Don't miss out on this festive way to help!
