## **Shelter Spotlight Molly**

Molly is a 10 year old cat that came in as an owner surrender because her owners were moving and could not bring her with. She is a sweetheart that gets along with other cats and does well with children of all ages. Molly has been an indoor cat her whole life and can be vocal at times. She has never lived with dogs so it is unknown how she would get along with them. She easily makes friends with everyone she meets. Come meet her today and see if she could be your new best friend!

# Success Story of the Month

## Mervyn

Meet Mervyn! (pictured on the bottom left) Mervyn is a friendly and laid back 6 year old cat that was surrendered to the shelter in early March of 2016 because his owners were moving and couldn't take him with. Over a month later the Hoseck family adopted him as their 3rd rescue and they think he is just amazing! The Hoseck family says, "We love having Mervyn! We have adopted from the Sioux Falls Area Humane Society 3 times. Mervyn was in the feline friends room when I met him, and I think that's a great place for friendly kitties to hang out." Thank you to the Hoseck family for all of their support and love for shelter animals.

# Shelter Stars

*Hi there, my name is Gigi! I am a 3 year old cat that was brought to the shelter because my owner had too many animals. I am very shy at first, but once I get to know you I am a lover. My favorite thing is to have my head rubbed! I did great with the cats I lived with in my previous home. I do ok with children but have never lived with them. I haven't lived with dogs so I am not sure how well I would do around them. I am spayed, microchipped, frontlined, have been started on my vaccinations and am negative for feline leukemia. Will you adopt me?*

*Hello, My name is Utle! I am a 5 year old Terrier Mix that came back to the shelter because I wasn't getting along with the kids in my last home. I am a really sweet dog and very laid back. I am partially house trained and just need a refresher course once I am in a new home. I need to go to a home with no children because I can get really mouthy when I play. I don't know how I would get along living with other animals so if you have a dog at home please introduce us before adopting me. At times I can be energetic but for the most part am relaxed and like to cuddle. I am already neutered, microchipped, frontlined and started on my vaccinations. Will you be my forever home?*
